Pupil premium strategy statement – Shireland Collegiate Academy

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	1570 (Y7-13) 112 Students in Yr13
Proportion (%) of pupil premium eligible pupils	37%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended – you must still publish an updated statement each academic year)	2021/22 – 2023/24
Date this statement was published	November 2023
Date on which it will be reviewed	Spring 1 2024
Statement authorised by	Miss Moira Green (Principal)
Pupil premium lead	Mrs Roxanne Dee
Governor / Trustee lead	Mr M Conway-Jones

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£577,528.00
Recovery premium funding allocation this academic year Recovery premium received in academic year 2023/24 cannot be carried forward beyond August 31, 2024.	£154,008.00
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£731,536.00
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	

Part A: Pupil premium strategy plan

Statement of intent

In line with the achievement of previous year groups, we aim for all students to make strong progress in a broad range of subjects, regardless of their starting points or potential disadvantage. Our broad curriculum encourages a large proportion to follow the Ebacc pathway, and our inclusive approach ensures all students are challenged to achieve their aspirations and be the best they can. We deliver a curriculum that equips learners with the necessary life skills and values to become confident and responsible citizens who have the resilience to flourish in the face of adversity.

Our pupil premium strategy aims to maintain high expectations of all vulnerable students whilst supporting them with bespoke interventions where necessary. Regular student support panel (SSP) meetings focusing on vulnerable students ensure we consider all students as individuals and make decisions based on their personal needs. In the main, this is achieved through quality-first teaching, with us providing tailored professional development opportunities for all staff during the year. Whole-school priorities reflect the importance of continued pedagogical development, and we know that this will provide the biggest lift to the progress being made by all students.

Minimising the negative impact of the pandemic is integral to our planning, with curriculum adaptations being informed by astute assessment and carefully considered sequencing of content. We aim to supplement this with proactive targeted interventions which support vulnerable students, including the disadvantaged, and which include use of the National Tutoring programme, additional tutoring, support with emotional wellbeing and engagement with metacognition to help our students to become reflective learners.

Our Academy Raising Achievement Plan reflects the challenges identified within this document, so that links can be made with our broader development work. Regular reviews of the efficacy of interventions, cross-referenced with internal data collected on a termly basis will inform any necessary shifts in emphasis during the year and across the three-year period of this strategy.

All reporting and quality assurance processes maintain a focus on the progress and engagement of disadvantaged students to ensure the best for them, regardless of the challenges they face.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge							
1	Attendance Our attendance data for 2022/23 indicates that attendance among disadvantaged students has been 1.84% lower than that for non-disadvantaged students. However, our Pupil Premium student attendance was strong compared to the national average. 21.63% of Pupil Premium students were Persistently Absent compared to 17.67% of non-disadvantaged students.							
2	Safeguarding This includes supporting with significant and often highly complex safeguarding issues which disproportionally affect these students. With approximately 46% of concerns being logged as students being classed as disadvantaged, these represent a high number of students who are referred to our Safeguarding Department. These students face additional barriers to learning that require a high level of intervention to support and which often lead to both student and family support. These can be complex needs of neglect, health, poverty, domestic violence, and a host of other serious issues from outside the community.							
3	Reading Students undertake the NGRT reading tests annually. In these tests on average Pupil Premium students are showing a gap of on average 6months in reading age compared to their peers. This can be through a combination of factors. Access to reading material and amount of reading in the home, and in some cases no one to assist with reading at home due to issues of EAL or illiteracy.							
4	Lower Prior Attainment on Entry The English and Maths attainment of disadvantaged students is generally lower than non-disadvantaged students. Year English Maths							
5	Poverty reduce nrichment of Financial difficulties disadvantage their horizons	activities culties or ed studen	i. lack of e ts miss o	ngagem ut on op	nent of far	milies car es that co	n meant that uld broader	n .

Our aim is to ensure that no student will miss out on extra-curricular opportunities due to being disadvantaged.

Every child should have at least one theatre experience, museum or exhibition experience, university experience during their time with us. Students often lack resource at home to build cultural capital which we are looking to rectify through our online and library services.

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To reduce the gaps in attainment for disadvantaged students across all Key stages.	Reduced gap between PP and Non-PP students.
(4) Students engage in extracurricular	Using funds to support staff subject knowledge where appropriate.
support and tutoring to support improved outcomes. (5)	Discussions with students, parents, teachers and inclusion staff indicate that students have higher expectations of themselves, with higher aspirations and an improved attitude towards learning.
Improved reading ages and engagement with reading among disadvantaged students across all Key stages. (3)	Disadvantaged students to improve their reading ages as shown by NGRT data and improved attainment in other related subjects.
	GL assessment data
	Link with Shireland Technology Primary
Cultural capital experiences to be maximised through all aspects of the curriculum – exposing students to a large variety of subject areas and art; promoting	Tutoring, extracurricular/enrichment clubs, breakfast club, trips and residential.
character building qualities that lead to creating well-rounded, global citizens, offering experiences they can draw upon in later life. (5)	Students from disadvantaged backgrounds having the same access to experiences as other students in the academy and being able to use these experiences to further their learning.
	Extra-curricular registers.
	Parental feedback – Family Forum meeting notes.

Disadvantaged students to make progress and achieve standards in line with non-disadvantaged students. (4)	Motivating students across Key Stages to think positively about their future through engaging with the PD and Careers programmes.
Improved attendance and punctuality, maximising the opportunity to engage in learning, maximising progress and improving outcomes in all subject areas. (1)	PA for disadvantaged students reduces every half term. PP attendance maintained above national average and at least 95% for PP students and gap closed between PP and non-PP students.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding this academic year to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £335,582

Activity	Evidence that supports this approach	Challenge number(s) addressed
Investment in Teaching and Learning communities.	We researched national best practise in the spending of the Pupil Premium funding and looked at all approaches investigated and reported by the Sutton Trust's Education Endowment Foundation's Tool Kit. The allowed us to	1, 3, 4
Quality first teaching.	measure estimated impact vs costs for multiple strategies. It seems that improvements in teaching & learning have a disproportionately positive impact on the progress of disadvantaged compared to non-disadvantaged students. Evidence suggests that the most effective approaches are: • Feedback – positive discrimination approaches in the classroom • Homework (Secondary) – Students have access to various online resources including, GCSEPod, AskOla, Seneca, MathsWatch and	

	Century Tech. Homework Club runs Monday-Thursday.	
Targeted support at the earliest stage for students identified with low levels of literacy and/or numeracy through interventions within L4L	Improve spoken/written language of students will demonstrate continued improvements in outcomes for disadvantaged students. Improving Literacy in Secondary Schools EEF (educationendowmentfoundation.org.uk)	3, 4, 5
National College Subscriptions	Staff with a deeper knowledge and understanding of pedagogy, the barriers to learning experienced by disadvantaged students and strategies to counteract these barriers.	3, 4
Reading coordinator role to develop reading across the academy including CPD of staff on reading strategies.	'Literacy is key to learning across all subjects in secondary school and a strong predictor of outcome in later life.' EEF Key Stage 3 - Abigail Steel training	3
	All staff to receive training on Lexonik – online platform Attendance and reading key barriers to disadvantaged pupils' EEF (educationendowmentfoundation.org.uk)	
NTP Academic Coaches to mentor and academically support identified students in English, Maths and Science	Teaching Assistant Interventions EEF (educationendowmentfoundation.org.uk)	4

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £191,117

Activity	Evidence that supports this approach	Challenge number(s) addressed
Residential/curriculum trips to further improve outcomes of students History,	With disadvantaged students at increased risk of limited life experiences we will subsidise expenses as far as possible to	1, 4, 5

Business studies and Languages.	ensure students' lives are enriched during their time with us. Research overwhelmingly shows that children thrive in a learning environment and develop better future life chances if they can extend their learning outside the classroom. (Sutton Trust, Life Skills 2017)	
Tutoring NTP Academic Coaches to mentor and academically support identified students in English, Maths and Science	Engaging with the National Tutoring Programme to provide a blend of tuition and school-led tutoring using Academic mentors in English, Maths, Science. A significant proportion of the students who receive this will be disadvantaged, including those who are high attainers.	1, 2, 3, 4, 5
Academic enrichment opportunities to targeted cohorts after school including Forward Thinking with the University of Birmingham, Debate mate, careers/industry visits.	About Us - Debate Mate Schools Forward Thinking - University of Birmingham	1, 3, 4, 5
Homework Club KS3	Students are invited to attend an after-school homework club. There is assistance from staff to complete work set.	1, 2, 3, 4, 5
Subsidised music tuition	Disadvantaged pupils to access musical opportunities and to be supported in learning to play instruments, resulting in increased self-esteem and confidence. 38% of students receiving instrument lessons are classed as PP. Financial support given to students and families for the cost of lessons when taking music exams, cost of instruments, etc	1, 2, 3, 4, 5
Resources Revision Guides	Students are provided with a 1 to 1 device so that they can access learning through our digital platforms.	1, 3, 4, 5
	Revision resources for Key Stage 4 to give all students equal access to	

	revision materials and support to improve collaboration between home and academy.	
Extra-curricular activities	If it is highlighted that a student would benefit from participation in an extracurricular event or club, the PP budget will support this in order to raise aspirations and motivation.	1, 3, 4, 5
Careers Intervention	Students are provided with Connexions appointments to help raise the profile of the world of work and in turn, raise aspirations.	1, 3, 4, 5

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £204,837

Activity	Evidence that supports this approach	Challenge number(s) addressed
Academy Attendance Officers to ensure high levels of attendance maintained.	Administration team monitoring of absent PP students and follow up quickly on absences. First day response provision. Family meeting with senior leaders and attendance officer if student has PA (under 90%). Regular analysis of weekly attendance and late patterns. Awards for reduction in lates and improved attendance.	1, 2, 3, 4, 5
Mental Health weekly survey	Students complete a mental health survey at the end of each week during form time. This is an opportunity for form tutors/HOY to see if students need any extra pastoral care dependant on emoji chosen.	1, 2
Attendance rewards to encourage high levels of attendance and academic	Attendance incentives to raise attendance and lower PA.	1, 2, 3, 4, 5

rewards to encourage high aspiration and outcomes.		
Breakfast club	Breakfast club to give every student access to a breakfast every day free of charge. To ensure that students are able to access the timetabled day without feeling fatigued.	1, 2, 3, 4, 5
Hardship fund to support students and families (include Bus passes, lunch money)	Support students and families to access our academy and meet our high standards.	1, 2, 3, 4, 5
SCA Uniform Shop	Support students and families to meet our high uniform standards.	1, 2
Full time librarian to facilitate access to the library and intervention before the academy day, lunchtime and after academy.	The library, support from our Librarian and time and space where students can use their devices provides disadvantaged students with the tools to complete homework and explore a range of books and reading materials.	1, 2, 3, 4, 5
Guest motivational speakers to work with Year 10/11 and Sixth Form students.	Aim A Little Higher - Assemblies, Workshops & Programmes Action Jackson - Inspirational Speakers	1, 2, 3, 4, 5

Total budgeted cost: £731,536.00

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

Attainment

We have analysed the performance of our school's disadvantaged pupils during the previous academic year, drawing on national assessment data and our own internal summative and formative assessments.

The data demonstrated that the overall P8 for 2022-23 was 0.39 with disadvantaged students achieving 0.03 and PP students 0.13 indicating that pupils are achieving higher in each qualification on average compared to similar pupils in the country. To help us gauge the performance of our disadvantaged pupils we compared their results to those for disadvantaged and non-disadvantaged pupils at national and local level. Our results for 2022-2023 were above the national average for disadvantaged children and placed us fourth in our local authority performance tables. Our EBACC entry rate was 80% for all children and 82% for PP.

The data demonstrates that the school is performing above national average and successfully meeting the intended outcomes from our strategy plan.

We have also drawn on school data and observations to assess wider issues impacting disadvantaged pupils' performance, including attendance, behaviour and wellbeing.

Attendance

Our attendance data for 2022-23 indicates that attendance among disadvantaged children has been 1.74% lower than that of non-disadvantaged children. Having said that the attendance of Pupil Premium students is strong compared to national average with attendance at 91.37%. 29.3% of Pupil Premium students were persistently absent compared to 24.7% of non-disadvantaged students.

Exclusion data

In the 2022-23 academic year, the Academy issued 62 suspensions to a total of 54 students. Of these, 33 suspensions were from 26 Pupil Premium students. We had 5 permanent exclusions, 3 of which were to PP students.

Overall

Based on all the information above, the performance of our disadvantaged pupils exceeded expectations, and we are at present on course to achieve the outcomes we set out to achieve by 2024/25, as stated in the Intended Outcomes section above.

As well as examination results and data there are other measures of impact of the outcomes from 2022-23.

- The Mastery within Maths (Ask Curriculum plus) has increased outcomes at Key Stage 4 with a progress 8 score of 0.11 increasing from 0.07 (2022).
- A reading coordinator has been recruited and developed to embed reading across the academy, form tutors have received CPD and NGRT Year 7-11 reading test have been completed.
- Academic coaches have been assigned to intervention groups to work with targeted PP students.
- Many educational trips have taken place such as a visit to Hampton Court in History. "I never would get the opportunity to visit Hampton Court if it wasn't for my teachers at school. I really enjoyed learning about the Tudors and it has brought my history lesson alive." (Key Stage 4 student voice)
- The number of students staying in education or entering employment is above both the national average and local authority.

Staying in education or entering employment ?

This shows the number of pupils who either stayed in education or went into employment after finishing key stage 4 (after year 11, usually aged 16).

- Students have been provided with essential revision guides and resources to all them to build on knowledge and practice skills gained from the classroom.
- We now have 84 students accessing free music lessons on a weekly basis. "My family would never be able to pay for my music lessons, so I am grateful that school gives me the opportunity. I love learning guitar!" (Student Voice)
- No student have paid for any materials used in DT.
- All students have access to full academy uniform and in liaison with HOY. Attendance and Pastoral teams are provided with bus passes, resources, etc.
- Summer school successfully run, "I really enjoyed my time at the summer school and getting to meet my L4L teacher. I had fun with the other people in my group and really loved looking around the school" (Students Voice)
- Breakfast club has been a success, KS3- Student voice: "Breakfast club provides an opportunity to read and eat breakfast", "welcoming staff and food, positive start to the morning". KS4- Student voice: "Revision opportunity with hot food, before exams".

Our evaluation of the approaches delivered last academic year indicates that our strategies for pupil premium are effective and having an impact. We have reviewed our strategy plan taking into account this information and made changes to how we intend to use some of our budget this academic year.

Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.

Programme	Provider
Seneca	Free Homework & Revision for A Level, GCSE, KS3 & KS2 (senecalearning.com)
GCSEPod	GCSE Learning and Revision GCSEPod
Tute	<u>Tute - Tute</u>
Century	CENTURY Online Learning English, Maths and Science
Sparx Maths	Sparx Maths - Home

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information: How our service pupil premium allocation was spent last academic year

The academy does not have any eligible pupils in this area

The impact of that spending on service pupil premium eligible pupils
