Dear Families,

End of Term Letter – Summer 2023

Our newsletter will be with you shortly and it is full of all the exciting activities and opportunities that have been available for our students over the past term. You will find details of sporting success, successful theatre productions and photos of the trips and activities that have taken place during a busy term.

We have several staff who are leaving the academy to pursue the next stages of their careers and I would like to take this opportunity to wish them well for the future.

Sandwell MBC are supporting families with a range of free and funded activities to support families over the Summer break. Please see the Holidays and Food website here [Sandwell Holiday Activities](#).

Unfortunately, we have also seen an increasing number of families requesting holidays during term time. I must remind families that permission can only be given in exceptional circumstances. I must point out that family holidays are not an exceptional circumstance according to the guidance. For more information please visit Sandwell LA website [Holidays in term time | Sandwell Council](#)

Finally, I'd like to take this opportunity to thank you for your support this academic year and to wish you a pleasant summer break.

Kind regards

Mr Irish
Principal
