

July 2023

Ref: KBS/KMN

Dear Family

Pre-loved Uniform

It has come to that time of the year again where many students have outgrown their uniform and you will be purchasing new items over the summer.

We are excited to announce that we are planning to open a Pre-loved Uniform store in the near future. This service will allow families to donate and purchase Academy branded items. Receiving donated items from July will provide time for a small team of staff and Student Council to prepare items for the store, which will be required for a smooth running when operating in 2024.

The success of our Pre-Loved Uniform store will only work with your kindness and generosity. This project highlights the importance of sustainability and will support families in our community. Any funds raised will support future Student Council community projects.

Donation bins will be placed in Reception, or your child can pass donations to their Head of Year. We will accept all Academy branded items such as blazers, ties, and branded PE kits.

Yours sincerely

Mr D Irish
Principal
