Dear Family

Homework on Edulink One

We would like your support with encouraging your child to complete their homework. To help with this we have now made it possible for you to view all your child's homework on Edulink. If you log into Edulink using your usual login details, you will see a homework button. **(Please see below).**

This will show each piece of homework that is outstanding with the subject, details and date required. In addition to this some Maths homework will continue to be completed using Sparx, which send out separate notifications to parents.

As a general guideline, the following timeframes should be adhered to:

- Key Stage 3 (Years 7-9): Approximately 45-60 minutes per day
- Key Stage 4 (Years 10-11): Approximately 1-2 hours per day
- Key Stage 5 (Years 12-13): 1 hour of homework for every hour of study (totalling 15 hours per week)

There are dedicated homework sessions available for students in the Academy library if your child is unable to complete homework at home or prefers to work in school. They can visit the library to find these times.

If you require any assistance in logging into Edulink or you have forgotten your login details, please contact the Academy.

Yours sincerely

Mrs R Dee
Senior Teacher
