

Year 10 Mock Examinations Commencing Thursday, 19 June 2025 – Thursday, 26 June 2025

Your child will be involved in a series of mock examinations for English, Maths and Science during the dates shown above. The purpose of these examinations is to provide your child with the opportunity to demonstrate their understanding and learning of these subject areas. Your child will also be able to experience the rigour of examinations so that they understand the expectation there is around examinations.

It is important that your child is spending time preparing for this as this is a pivotal part of their learning journey. Staff are keen to identify how they can further help students to achieve their full potential by assessing students through these examinations. Students should speak to their subject teachers as to what they need to do to prepare fully and utilise all the highly effective online resources the school has to offer.

Students will be attending their normal timetabled lessons during this period unless they are in examinations. If examinations are in the morning, your child needs to ensure they arrive at school no later than 8:40am for the examination to commence at 9:00am. If they have an afternoon examination, this will commence at 1:00pm, meaning lunch will take place at 12:20pm. Your child will be dismissed from the examination room to go straight home from an afternoon examination.

Students will be issued with individual timetables via their school email. It is important for students to understand that it is their responsibility to know when they have examinations and where they need to be to sit those examinations. They need to check which seat number they will be sitting at before any examination.

Students must adhere to the following basic expectations during the examinations, both now and in the Summer:

- They must be on time to all examination sessions.
- They must enter the examination room with empty pockets.
- Students **must** have a black pen.
- Students are only allowed water to drink in the examination room, and this must be in clear bottle, the bottle must have the label removed.
- **No watches** allowed.
- **No mobile phones** or electronic devices of any nature are allowed into the examination room, except calculators that must have cases/covers removed.
- Students will be expected to leave all coats and bags in the PE changing rooms. All phones should be completely switched off.
- Students will not be allowed to leave the room during the examination at any point unless it is for a valid medical reason.
- Students must remain in the examination room for the full time of their examination.
- Prior to these examinations, students must familiarise themselves with all the examination policies which can be found on the student portal under examination information.

Please see the timetable below of the exams:

Date	Morning- 9:00am	Afternoon-1:00pm
Thursday, 19 June	English Literature 1	No exams
