Dear family,

Year 11 AP1 Autumn Report

Your child's Assessment Point 1 Autumn Report has now been uploaded to Arbor. You can access it using the Arbor Parent App and click on 'Report Cards'. This report has been redesigned in an effort to make it more accessible for parents. It includes the following information:

- **A student summary** – including attendance, lates, behaviour and praise points
- **Target grade** – the grade your child has the potential to achieve
- **Working At grade** – the grade a student is currently working at, based on their academic performance so far in their Key Stage 4 studies. It takes into consideration classwork, homework, and assessment results.
- **Predicted grade** - the grade that a teacher has decided the student will achieve in their end of year examinations, based on their academic performance. This takes into consideration classwork, homework, and assessment results.

If you have any queries about the report, please contact your child's form tutor in the first instance. They will then pass your query on to the relevant member of staff. If you would like the report translated into another language, again, please contact your child's form tutor.

Key dates:

- Thursday, 23 October – Year 11 Matters Evening
- Friday, 21 November – Year 11 Mock examinations 1 begins
- Thursday, 8 January – Year 11 Parents' Evening
