

October 2025

Ref: KMN/JKR

Dear family,

Year 11 Matters Information Evening
Thursday, 23 October
4.00pm – 6.00pm

I am writing to invite you and your child to our Year 11 Matters Information Evening, which will take place on Thursday, 23 October from 4pm to 6pm. This event is an important opportunity for both students and parents to gather crucial information as we begin this vital year.

Your attendance, together with your child, is strongly encouraged. During the evening, you will receive detailed information about all key dates for Year 11, including examination periods, coursework deadlines, and other significant milestones. We will also be sharing information about Sixth Form open dates. Please note that if you are unable to attend, this evening will not be repeated. This will help you and your child to plan effectively for the months ahead and ensure that no important dates are missed.

Alongside the main presentation by senior staff in the auditorium, which will take place at 4:15pm and be repeated at 5:15pm, you will also have the opportunity to meet directly with Heads of Department in our Sports Hall. They will be available to answer your questions, discuss exam boards, and provide tailored advice on revision and assessment for each subject."

They will be available to discuss the specific exam boards for each subject, share valuable revision materials, and answer any questions you may have about the content or assessment methods for individual courses. This is a fantastic chance to gain insight and advice tailored to your child's chosen subjects.

We believe that by working together, we can support every student in achieving their full potential this year. We look forward to welcoming you and your child on the evening. Please confirm your attendance to the evening by clicking this [LINK](#) and completing the form.

If you have any questions in advance, please do not hesitate to contact the Academy on 0121 558 8086.

Yours sincerely,

Mrs J Kaur
Assistant Principal

Mr T Daly
Principal
