

November 2025

Ref: KBS/ACR

Dear Family

**Closure of PE changing rooms during the Mock examination period  
Friday, 21 November – Tuesday, 2 December 2025**

As we approach the Mock examination period, we will be closing the PE changing rooms to help maintain a quiet and focused environment for students sitting their mock exams in the Sports Hall.

From Friday, 21 November to Tuesday, 2 December, students should come to the academy wearing their full PE kit on days they have PE lessons.

It is essential that all students wear the full academy PE kit as part of our uniform expectations. Sanctions may be issued to those who fail to comply.

To support families, we have a selection of PE kit items available through our Preloved Shop, and new kits can be purchased from our official academy supplier.

Thank you for your continued support.
