Dear Family

## Additional Targeted Sessions – Year 11

As we move into the crucial period leading up to the summer examinations, we want to ensure that every Year 11 student has the best possible support to achieve their full potential.

To maximise learning time in the subjects that make the greatest difference, we will be making a change to the morning routine for Year 11.

From Monday, 9 February, Year 11 students will take part in additional targeted sessions in **English, Maths**, and other key curriculum areas during form time. These sessions will take place during the same time as form period and will be delivered by subject specialists.

We believe this change will provide students with:

- **Extra focused learning time** in the subjects that matter most for their examinations
- **Smaller group support** where appropriate
- **A calm, structured start to the day**, helping them feel prepared and confident
- **Opportunities for personalised intervention**, revision and reteach

**Registration will still be taken as normal during these sessions, and attendance expectations remain unchanged.**

This adjustment will be in place for the remainder of the run-up to the GCSE exams. We will continue to review the impact of these sessions and keep you updated.

Thank you for your continued support. Working together, we can ensure that our students feel confident, prepared, and ready to succeed this summer.

If you have any questions, please do not hesitate to contact us.

Yours sincerely

Mr T Daly  
**Principal**
