Purpose of the policy

The Centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- All aspects of the Centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to.
- The workforce is well informed and supported.
- All Centre staff involved in the exams process clearly understand their roles and responsibilities.
- All exams and assessments are conducted according to JCQ and awarding body regulations, guidance, and instructions, thus maintaining the integrity and security of the exam/assessment system at all time.
- exam candidates understand the exams process and what is expected of them.

This policy is reviewed annually to ensure ways of working in the Centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions, and guidance.

This policy will be communicated to all relevant Centre staff.

The Exams Policy is published within the Policies area of the Gateway, on the Examinations site and within the HODs Teams. Staff are directed to the publication of the policies identified in this document through communication on Teams. Students are signposted to the relevant information through assemblies delivered by the Assistant Head Teacher and all relevant documents are published to families in the Exam Information area on the Family portal.

Roles and responsibilities overview

The head of Centre is the individual who is accountable to the awarding bodies for ensuring that the Centre is compliant with the published JCQ regulations and awarding body requirements in order to ensure the security and integrity of the examinations/assessments at all times.

The examinations officer is the person appointed by the head of Centre to act on behalf of, and be the main point of contact for, the Centre in matters relating to the general administration of awarding body examinations and assessments.

The head of the Centre may not appoint themselves as the examinations officer. The head of the Centre and an examinations officer are two distinct and separate roles.

Head of Centre

- Understands the contents, refers to and directs relevant Centre staff to annually updated JCQ publications including:
 - [General Regulations for Approved Centre's](#) (GR)
 - [Instructions for Conducting Examinations](#) (ICE)
 - [Access Arrangements and Reasonable Adjustments](#) (AA)
 - [Suspected Malpractice in Examinations and Assessments](#) (SMEA)
 - [Instructions for conducting non-examination assessments](#) (NEA) (and the instructions for conducting coursework)
 - [A guide to the special consideration process](#) (SC)
- Ensures the Centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements for exams and assessments.
- Takes responsibility for responding to the National Centre Number Register annual update (administered on behalf of the JCQ member awarding bodies by OCR ocr.org.uk/administration/stage-1-preparation/ncn-annual-update/) by the end of October each year confirming they are both aware of and adhering to the latest version of the JCQ regulations and signs and returns the head of Centre's declaration which is then kept on file for inspection purposes

Head of Centre declaration

The Head of Centre declaration is held by the Exam Officer in order to make it available for inspection.

- Enables the relevant senior leader(s), the examinations officer and the SENCo to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the Centre and ensure compliance with the published JCQ regulations.
- Appoints a SENCo who will determine appropriate arrangements for candidates with learning difficulties and disabilities.
- Ensures Centre staff undertake key tasks within the exams process and meet internal deadlines set by the EO.
- Makes sure that a teacher who teaches the subject being examined, or a senior member of teaching staff who has had overall responsibility for the subject

department and/or preparing the candidates for the examination, is not an invigilator during the timetabled written examination or on-screen test.

Ensures confidentiality and security within the examination process is compliant with and managed according to JCQ and awarding body regulations, guidance and instructions including.

- the location of the Centre's secure storage facility in a secure room solely assigned to examinations for the purpose of administering secure examination materials.

- appropriate arrangements are in place to ensure that confidential materials are only delivered to authorized members of Centre staff.
- access to the secure room and secure storage facility is restricted to the authorized 2-4 keyholders.
- the relevant awarding body is immediately informed if the security of question papers or confidential supporting instructions is put at risk.
- that arrangements are in place to check that the correct question paper packets are opened by authorized members of Centre staff.
- Through taking an ethical approach and working proactively to avoid malpractice among students and staff takes all reasonable steps to prevent the occurrence of any malpractice/maladministration before, during the course of and after examinations have taken place.
- Ensures irregularities are investigated and informs the awarding bodies of any cases of alleged, suspected, or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, are reported to the awarding body immediately.
- Ensures risks to the exam process are assessed and appropriate risk management processes/contingency plans are in place (that allow the senior leadership team to act immediately in the event of an emergency or staff absence)

Note: All heads of Centre's will be required to confirm, on an annual basis, that they are both aware of and adhering to the latest version of these regulations. This confirmation is managed as part of the National Centre Number Register (NCNR) annual update (see section 5.3, page 14).

The head of Centre cannot delegate this responsibility to a member of the senior leadership team or the examinations officer.

A signed copy of the head of Centre's declaration for the academic year 2024/25 must be held on file, available for inspection, as it will be an integral part of the Centre inspection. An electronic version of the head of Centre's declaration, with an electronic signature, is permissible.

Failure to respond to the NCNR annual update, and/or the head of Centre's declaration, will result in your Centre status being suspended, your Centre not being able to submit examination entries and not receiving or being able to access question papers. Ultimately awarding bodies could withdraw their approval of your Centre. ([GR.1](#))

Exam contingency plan

It is the responsibility of the head of Centre to ensure that his/her Centre... has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan must be available for inspection purposes.

(The examination contingency plan should also reinforce procedures in the event of the Centre being unavailable for examinations or on results day owing to an unforeseen emergency.)

See Appendix 1

Internal appeals procedures

The Centre will... before submitting marks to the awarding body inform candidates of their Centre assessed marks and allow a candidate to request a review of the Centre's marking... have in place and be available for inspection purposes, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates [GR 5.7]

...have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a Centre decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal... [GR 5.13]

- Ensures required internal appeals procedures are in place and drawn to the attention of candidates and (where relevant) their parents/carers.

See Appendix 1

Disability policy

The General Regulations cover... obligations arising from current data protection, equality, and freedom of information legislation. However, the general regulations are not intended to be relied upon to ensure compliance with the legislation (Section 6) ... A Centre will have confirmed its readiness to adhere to these regulations when first approved as a Centre (see Section 3, page 4)... [GR 1.2]

The head of Centre/senior leadership team will...recognize its duties towards disabled candidates as defined under the terms of the Equality Act 2010†. This must include a duty to explore and provide access to suitable courses, submit applications for reasonable adjustments and make reasonable adjustments to the service the Centre provides to disabled candidates; or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect... The Centre must comply with the obligation to identify the need for, request and implement access arrangements... [GR 5.4]

- Ensures the Centre's disability policy demonstrating the Centre's compliance with relevant legislation is in place and details the processes followed in respect of identifying the need for, requesting and

implementing access arrangements.

See Appendix 1

Complaints and appeals procedure.

The Centre will... draw to the attention of candidates and their parents/carers their written complaints and appeals procedure which will cover general complaints regarding the Centre's delivery or administration of a qualification.[GR [5.8](#)]

- Ensures a *complaints and appeals procedure* covering general complaints regarding the Centre's delivery or administration of a qualification is in place and drawn to the attention of candidates and their parents/carers.

See Appendix 1

Child protection/safeguarding policy

It is the responsibility of the head of Centre to ensure that his/her Centre has in place a written child protection/safeguarding policy, including Disclosure and Barring Service (DBS) clearance, which satisfies current legislative requirements.

Ensures the Centre has a child protection/safeguarding policy in place, including Disclosure and Barring Service (DBS) clearance, which satisfies current legislative requirements.

See Appendix 1

Data protection policy

The General Regulations cover... obligations arising from current data protection, equality, and freedom of information legislation. However, the general regulations are not intended to be relied upon to ensure compliance with the legislation (Section 6) ... A Centre will have confirmed its readiness to adhere to these regulations when first approved as a Centre (see Section 3, page 4). [GR [1.2](#)]

The Centre will... ensure that all candidate data where required by the awarding body has been supplied to the awarding bodies within the terms of the General Data Protection Regulation, the Data Protection Act 2018, and the Freedom of Information Act 2000, and that candidates have been properly informed that this data has been transferred to the awarding bodies (see section 6, page 23, for more information)... [GR [5.8](#)]

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13.

This suggests that candidate consent should be sought to share results or other exams-

related information with a third party.

Other legislation and guidance may need to be taken into account regarding sharing information with parents, as example information from the DfE for schools regarding parental responsibility and school reports on pupil performance:

- Understanding and dealing with issues relating to parental responsibility <https://www.gov.uk/government/publications/dealing-with-issues-relating-to-parental-responsibility/understanding-and-dealing-with-issues-relating-to-parental-responsibility>
- School reports on pupil performance <https://www.gov.uk/guidance/school-reports-on-pupil-performance-guide-for-headteachers>

Publication of exam results

Refer to ICO (Information Commissioner's Office) [Education and Families](#) information and the document [Publishing exam results](#).

See Appendix 1

Access arrangements policy

The Centre must comply with the obligation to identify the need for, request and implement access arrangements... The head of Centre/senior leadership team will... have a written process in place to not only check the qualification(s) of their assessor(s) but that the correct procedures are followed as per Chapter 7 of the JCQ publication Access Arrangements and Reasonable Adjustments... [GR5.4]

Ensures the Centre has documented processes in place relating to access arrangements and reasonable adjustments.

- Ensures the relevant awarding bodies are informed of any **Conflict of Interest** where:
 - a member of Centre staff is taking a qualification at the Centre which includes internally assessed components/units (taking at the Centre as a last resort where unable to find an alternative Centre)
 - a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of Centre staff with a personal connection to the candidate.
- Maintains records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where:
 - a member of exams office staff has a personal connection to a candidate being entered for exams and assessments at the Centre or at another Centre
 - a member of Centre staff is taking a qualification at the Centre which does not include internally assessed components/units (taking at the Centre as a last resort where unable to find an alternative Centre)
 - A member of Centre staff is taking a qualification at another Centre.
- Ensures other relevant Centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials.

It is the responsibility of the head of Centre to ensure that his/her Centre... manages Conflicts of Interest by informing the awarding bodies, before the published deadline for entries, of:

- any members of Centre staff who are taking qualifications at their own Centre which include internally assessed components/units.
- any members of Centre staff who are teaching and preparing members of their family (which includes stepfamily, foster family, and similar close relationships) or close friends and their immediate family (e.g., son/daughter) for qualifications which include internally assessed components/units; and maintains clear records of all instances where:
- exams office staff have members of their family (which includes stepfamily, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the Centre itself or other Centre's.
- Centre staff are taking qualifications at their Centre which do not include internally assessed components/units.
- Centre staff are taking qualifications at another Centre.

The head of Centre must ensure that the records include details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected. The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records must be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.

Note: Heads of Centre must note that entering members of Centre staff for qualifications at their own Centre must be a last resort in cases where the member of Centre staff is unable to find another Centre. The head of Centre is responsible for ensuring that proper protocols are in place to prevent the member of Centre staff having access to examination materials prior to the examination and that other Centre staff are briefed on maintaining the integrity and confidentiality of the examination materials. The head of Centre must ensure that during the examination series the member of Centre staff is treated as per any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment. [GR [5.3](#)]

- Ensures members of Centre staff do **not** forward e-mails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications

This policy identifies roles and responsibilities of Centre staff within this cycle.

Planning: roles and responsibilities

- Provides and annually reviews a Centre policy on the **use of word processors** in exams and assessments in liaison with the SENCo

Word processor policy (exams)

A Centre must have a policy on the use of word processors. A word processor cannot simply be granted to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home.

The use of a word processor must reflect the candidate's normal way of working within the Centre. For example, where the curriculum is delivered electronically, and the Centre provides word processors to all candidates.

The Centre may wish to set out the particular types of candidates which it considers would benefit from the use of a word processor. For example, a candidate with...

A member of the Centre's senior leadership team must produce a statement for inspection purposes which details the criteria the Centre uses to award and allocate word processors for examinations. [AA [5.8](#)]

See Appendix 1

Separate invigilation within the Centre policy

Ensures criteria for candidates granted **separate invigilation within the Centre** is clear, meets JCQ regulations and best meets the needs of individual candidates and remaining candidates in main exam rooms.

Separate invigilation is granted for those candidates who have an AA which requires them to be in a room on their own, or with candidates who have a similar AA.

Candidates may be granted separate invigilation if they have behavioral issues which are known to the Centre and dealt with by removing them from a mainstream timetable.

Candidates may also be granted separate invigilation where there is a diagnosed medical need, e.g., they are suffering from an illness which can be passed to other students, yet

they are well enough to sit the examination.

There may be other exceptional circumstances whereby separate invigilation is granted but these will be referred to the EO and considered on an individual basis. Candidates will not be accommodated separately simply because they, or their family, requests it.

[See AA 5.16 plus Centre-determined criteria]

For example, in the case of separate invigilation, the candidate's difficulties are established within the Centre (see Chapter 4, paragraph 4.1.4, page 16) and known to a Form Tutor, a Head of Year, the SENCo or a senior member of staff with pastoral responsibilities.

Separate invigilation reflects the candidate's normal way of working in internal school tests and mock examinations as a consequence of a long-term medical condition or long term social, mental or emotional needs

A candidate may only take their examinations under separate invigilation within the Centre where he/she has **an established difficulty** - see **section 5.16** of the JCQ publication *Access*

Arrangements and Reasonable Adjustments... [[ICE 14](#)]

Senior Leaders, Head of department, Teaching staff

- Support the SENCo in determining and implementing appropriate access arrangements
- Provide a statement for inspection purposes which details the criteria the Centre uses to award and allocate word processors for examinations

Internal assessment and endorsements

Head of Centre

- Provides fully qualified teachers to mark non-examination assessments
- Ensures an **internal appeals procedure** relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the Centre's marking (see Roles and responsibilities overview)
- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE Centre's this would be a controlled assessment policy)

Non-examination assessment policy

The Centre will... have in place and be available for inspection purposes, a written policy with regard to the management of GCE and GCSE non-examination assessments; (For CCEA GCSE Centre's this would be a written controlled assessments policy.)
[GR 5.7]

The JCQ requires each Centre to have a non-examination assessment policy in place:

- to cover procedures for planning and managing non-examination assessments.
- to define staff roles and responsibilities with respect to non-examination assessments.
- to manage risks associated with non-examination assessments.

A JCQ Centre Inspector will ask the examinations officer to confirm that such a policy is in place. The guidance provided in this document will help the head of Centre to ensure that the Centre's policy is fit for purpose. The policy will need to cover all types of non-examination assessment.

Additionally, each Centre must have available for inspection an internal appeals procedure relating to internal assessment decisions. [\[NEA 1\]](#)

- Ensures any irregularities relating to the production of work by candidates are investigated and dealt with internally if discovered prior to a candidate signing the authentication statement (where required) or reported to the awarding body if a candidate has signed the authentication statement

- Ensure candidates are informed of their Centre assessed marks as a candidate may request a review of the Centre's marking before marks are submitted to the awarding body

Exams officer

- Identifies relevant key dates and administrative processes that need to be followed in relation to internal assessment
- Signposts teaching staff to relevant JCQ *information for candidate's* documents that are annually updated

See Appendix 1

Invigilation

Head of Centre

- Ensures relevant support is provided to the EO in recruiting, training, and deploying a team of invigilators
- Ensures, if contracting supply staff to act as invigilators that such persons are competent and fully trained, understanding what is and what is not permissible
Determines if additional invigilators will be deployed in timed Art exams in addition to the subject teacher to ensure the supervision of candidates is maintained at all times

Exams officer

- Recruits additional invigilators where required to effectively cover all exam periods/series throughout the academic year
- Collects information on new recruits to identify if they have invigilated previously and if any current maladministration/malpractice sanctions are applied to them
- Provides training for new invigilators on the instructions for conducting exams and an annual update for the existing invigilation team so that they are aware of any changes in a new academic year before they are allocated to invigilate an exam
- Ensures invigilators supervising access arrangement candidates understand their role (and the role of a facilitator who may be supporting a candidate) and the rules and regulations of the access arrangement(s)
- Ensures invigilators are briefed on the access arrangement candidates in their exam room (and that these candidates are identified on the seating plan) and confirms invigilators understand what is and what is not permissible
- Collects evaluation of training to inform future events

Entries: roles and responsibilities

Estimated entries

Exams officer

- Requests estimated or early entry information, where this may be required by awarding bodies, from HoDs in a timely manner to ensure awarding body external deadlines for submission can be met

Estimated entries collection and submission procedure

EO sends out an information gathering form to all HoDs for them to complete at the beginning of the Autumn term.

EO collates all the information on a spreadsheet which then serves to inform Census, estimated entries, BTEC registration, November GCSE examination entries and January BTEC written examination entries within the Autumn term.

EO submits the necessary estimated entries information through the relevant awarding body's website, meeting the external deadlines.

- EO submits the necessary estimated entries information through the relevant awarding body's website, meeting the external deadlines.
- Makes candidates aware of the **JCQ Information for candidates – Privacy Notice** at the start of a vocational qualification or when entries are being processed for a general qualification

Head of department

- Provides entry information requested by the EO to the internal deadline
- Informs the EO immediately of any subsequent changes to entry information

Final entries

Exams officer

- Requests final entry information from HoDs in a timely manner to ensure awarding body external deadlines for submission can be met
- Informs HoDs of subsequent deadlines for making changes to final entry information without charge
- Confirms with HoDs final entry information that has been submitted to awarding bodies
- Ensures as far as possible that entry processes minimize the risk of entries or registrations being missed reducing the potential for late or other penalty fees being charged by awarding bodies

Final entries collection and submission procedure

This is the process for the summer season, but the same process applies for November and January just with different timings:

- EO sends out data collection sheets produced using the Centre's MIS in order to confirm which candidates are being entered for which examinations – this is produced based on the information received from the information gathering exercise in the Autumn term
- These data collection sheets are released to HoDs at the beginning of January with a two-week deadline to return the information
- EO then enters all the returned information into the Centre's MIS and produces a second set of data collection sheets that detail which candidates are entered for which examinations
- EO cross-references returns with the information gathering spreadsheet to check that all qualifications have been accounted for
- HoDs check the second set of data collection sheets and sign to agree that entries are correct or inform the EO of any changes that need to be made
- It is the responsibility of the HoD to ensure that the unit entry codes and cash- in codes, as necessary, are all correct
- Once the second set of data collection sheets have been returned and all changes made then the entries are submitted to the awarding bodies using A2C
- EO to provide subject area with a new copy of the data collection sheet if any changes have been made
- EO to provide staff with the internal deadlines for withdrawing or making amendments to entries, after which avoidable changes will be charged to the subject area's own budget

HoD to inform EO of any changes to entries as soon as they become aware of them

Head of department

- Provides information requested by the EO to the internal deadline

If avoidable late fees or other penalties are incurred due to subject areas not meeting

internal deadlines or other preventable errors, then the additional cost will be taken from the relevant departmental budget.

If candidates fail to sit their examinations their families will be asked to pay the examinations fees, unless there are exceptional circumstances.

Late entries

- Charges any late or other penalty fees to departmental budgets

Head of department

- Minimizes the risk of late entries by

Re-sit entries

Re-sit entry fees are taken from the Examinations budget held by the EO for the first re-sit attempt, any further attempts will have to be paid for by the relevant subject area or the candidate themselves.

EO ensures that they keep records of budget spend on entry fees and other examination costs.

With regards to those students in 6th Form who may re-sit English and/or Math's more than once in order to try and achieve a grade 4, all examination fees will be paid from the Examinations budget held by the EO unless it is decided otherwise by the Head of 6th Form/6th Form Team.

Private candidates

Entry fees must be paid in advance of entering private candidates, these charges are receipted by the admin team and paid directly into the Examinations budget. Private candidates can only be taken by the Centre if the Centre is not risking facilitating its own internal candidates first

Access to scripts, reviews of results and appeals procedures

Subject teacher, HoD and Senior teacher make a decision about which post results service(s) need to be applied for, and for which candidates. If a candidate makes a request for PRS then they need to discuss it with the relevant HoD in the first instance.

HoD needs to gain approval from the head of Centre to go ahead with ATS or RoR requests.

Once approval granted the HoD will approach EO and EO will attempt to secure approval from the candidate.

HoD passes the paperwork to the EO, by the internal deadline set, who competes the application through the awarding body's secure site as appropriate.

EO keeps records of all requests and their outcomes, communicating the results to the staff and candidates as appropriate.

If candidate wishes to request an ATS or RoR service that is not supported by the Centre then they can complete the paperwork, pay the appropriate fee and the EO will process the application on their behalf.

The Centre will... have in place written procedures for how it will deal with candidates 'requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies. Details of these procedures must be made widely available and accessible to all candidates. Candidates must be made aware of the arrangements for post-results services before they sit any examinations and the accessibility of senior members of Centre staff immediately after the publication of results... [GR [5.13](#)]

The Centre will... treat all candidates equally, including private candidates, throughout the examination process. This would also extend to post-results services and appeals [GR [5.6](#)]

Private candidates from the Community Languages College based at the Centre will be identified by the head of the college prior to all examinations as well as bringing photographic identification to all external examinations which will be checked by the invigilators prior to the examination starting.

Any other private candidates will need to bring with them photographic identification which will be checked by the invigilators prior to the examination starting.

If an external candidate does not have photographic identification, they will not be allowed to sit the examination.

“The Centre will... have in place written procedures to verify the identity of all candidates at the time of the examination or assessment...”[GR 5.9]

Invigilators must establish the identity of all candidates sitting examinations.

...A private/external or a transferred candidate who is not known to the school or college must show photographic documentary evidence to prove that he/she is the same person who

entered/registered for the examination/assessment, e.g., passport or photographic driving license...

...Where it is impossible to identify a candidate due to the wearing of religious clothing, such as a veil, the candidate should be approached by a member of staff of the same gender and taken to a private room where they should be politely asked to remove the religious clothing for identification purposes. Centre's must inform candidates in advance of this procedure and well before their first examination.

Once identification has been established, the candidate should replace, for example, their veil and proceed as normal to sit the examination. [\[ICE16\]](#)

Overnight supervision arrangements policy

Overnight supervision is discussed fully with the candidate in question and is offered as a last resort provision. Should the candidate decide that this is the option they wish to take then a meeting will take place with the family to discuss the implications.

Once the EO is satisfied that the candidate's decision is final and is confident that the family understand the implications and security measures involved she will ask them to complete the overnight supervision paperwork.

Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted...

...candidates may, at the Centre's discretion, be allowed to take an examination the following morning, including Saturdays (see paragraph 8.5, page 14). Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable...

The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g., telephone (both landline and mobile), e-mail, Internet, and social media. All absences for Post 16 are reported directly to their Student Support Manager and for other year groups to the Attendance Office.

Phone calls are made home to families to get candidates into the Centre.

If the candidate is intending on arriving late for the examination, then families should be informed that the candidate should not have any access to any form of communication i.e., mobile phone, internet, etc. from that point to ensure the integrity of the examination.

All feedback is given directly to EO or Exams Admin team who then pass it on to invigilators in the exam room so that they know whether to expect late candidates.

Any student who arrives late for an examination is allowed to enter the exam room and take the examination (unless it has already finished) and, as appropriate, it is then reported to the awarding body by the EO.

Students who are absent for unauthorized reasons from examinations are re-charged the relevant entry fees at the end of the examination series.

Managing behavior in exams room procedure

If a candidate is suspected of malpractice, the invigilator MUST advise the candidate that they need to desist from inappropriate behavior immediately.

If the candidate needs to be warned a second time, then the candidate should be informed that they may be removed from the examination room and that the incident will be reported to the awarding body who may then decide to disqualify them.

If there is a need for a candidate to be spoken to for a third time, then the lead invigilator within the examination room will need to contact the EO and Exams Admin staff to arrange for the candidate to be removed.

If a candidate is found in possession of any unauthorized material, then the invigilator must remove and keep said material before requesting the senior invigilator to make contact with the EO and Exams Admin staff.

Everything that happens in the examination room must be recorded on the exam room incident log.

Where a candidate is being disruptive, the invigilator must warn the candidate that he/she may be removed from the examination room.

The candidate must also be warned that the awarding body will be informed and may decide to penalize them, which could include disqualification.
