

June 2026

Ref: BB/KM

Dear Family

Sixth Form Charity Day
Friday, 3 July 2026

As part of our Sixth Form's Charity Day, we will be raising money for the Aston Villa Foundation and Acorns Hospice on Friday, 3 July. The Aston Villa Foundation is a registered charity that delivers various projects and initiatives across multiple areas, including education, health, disability support and community relations. Acorns Hospice offers a wide range of tailored support for children with life-limiting conditions and their families, including clinical care, emotional support and outreach services.

As part of this charity day, we are inviting all students and staff to wear football shirts or sportswear to raise money.

Arrangements:

- A £1.00 donation is required.
- Students are to give their donation to their Form Tutor in Registration.
- You can also donate on Arbor > School Shop. **This will be available to pay from 29th June – 4th July.**
